## Complete Product List — 118 Products

| #  | Product Name   | Form            | Therapeutic Area         |
|----|--|-----------------|--------------------------|
| 1  | Normal Saline 0.9% (500 ml)                            | PP Bottles      | Electrolytes & IV Fluids |
| 2  | Normal Saline 0.9% (1000 ml)                           | PP Bottles      | Electrolytes & IV Fluids |
| 3  | Normal Saline in 5% Dextrose                           | PP Bottles      | Electrolytes & IV Fluids |
| 4  | Normal Saline + 2.5% Dextrose                          | PP Bottles      | Electrolytes & IV Fluids |
| 5  | Dextrose 5%  | PP Bottles      | Electrolytes & IV Fluids |
| 6  | Dextrose 10%   | PP Bottles      | Electrolytes & IV Fluids |
| 7  | Dextrose 20%   | PP Bottles      | Electrolytes & IV Fluids |
| 8  | Water for Injection                                    | PP Bottles      | Electrolytes & IV Fluids |
| 9  | Normal Saline Irrigation                               | PP Bottles      | Electrolytes & IV Fluids |
| 10 | Water for Irrigation                                   | PP Bottles      | Electrolytes & IV Fluids |
| 11 | Distilled Water for General Purposes                   | PP Bottles      | Electrolytes & IV Fluids |
| 12 | Ringer Solution  | PP Bottles      | Electrolytes & IV Fluids |
| 13 | Ringer Lactate   | PP Bottles      | Electrolytes & IV Fluids |
| 14 | Paracetamol 1000 mg                                    | Plastic Vials   | Pain Management          |
| 15 | Metronidazole 500 mg                                   | Plastic Vials   | Anti-infective           |
| 16 | Linezolid 600 mg                                       | Plastic Vials   | Anti-infective           |
| 17 | Sodium Bicarbonate 8.4%                                | Plastic Vials   | Electrolytes & IV Fluids |
| 18 | Ibuprofen 400 mg / 100 ml                              | Plastic Vials   | Pain Management          |
| 19 | Calcium Gluconate 1%                                   | Plastic Vials   | Metabolic                |
| 20 | Zoledronic Acid  | Plastic Vials   | Bone Health              |
| 21 | Amino Acids & Electrolytes                             | Plastic Vials   | Nutrition                |
| 22 | Ciprofloxacin  | Plastic Vials   | Anti-infective           |
| 23 | Levofloxacin   | Plastic Vials   | Anti-infective           |
| 24 | Fluconazole  | Plastic Vials   | Antifungal               |
| 25 | Sodium Phenyl Acetate 10% + Sodium Benzoate 10%        | Plastic Vials   | Genetic Disorders        |
| 26 | Sodium Thiosulfate                                     | Plastic Vials   | Toxicology               |
| 27 | Dexibuprofen 200 mg / 400 mg                           | Plastic Vials   | NSAID                    |
| 28 | Normal Saline  | Plastic Ampules | Electrolytes & IV Fluids |
| 29 | Sterile Water for Injection                            | Plastic Ampules | Electrolytes & IV Fluids |
| 30 | Lidocaine 1%   | Plastic Ampules | Anesthetics              |
| 31 | Lidocaine 2%   | Plastic Ampules | Anesthetics              |
| 32 | Magnesium Sulfate 6.4%                                 | Plastic Ampules | Respiratory              |
| 33 | Ipratropium Bromide 500 mcg + Salbutamol 3 mg / 2.5 ml | Plastic Ampules | Respiratory              |
| 34 | Salbutamol 2.5 mg / 2.5 ml                             | Plastic Ampules | Respiratory              |
| 35 | Ipratropium Bromide 500 mcg / 2.5 ml                   | Plastic Ampules | Respiratory              |
| 36 | Tobramycin 300 mg / 5 ml (Nebulizer)                   | Plastic Ampules | Respiratory              |

| #  | Product Name                                | Form            | Therapeutic Area                |
|----|---|-----------------|---------------------------------|
| 37 | Budesonide 500 mcg / 2 ml                   | Plastic Ampules | Respiratory                     |
| 38 | Fluticasone 0.2 mg / 2 ml                   | Plastic Ampules | Respiratory                     |
| 39 | Calcium Chloride                            | Plastic Ampules | Electrolytes & IV Fluids        |
| 40 | Sodium Hyaluronate 0.2%                     | Minims          | Eye Lubricant                   |
| 41 | Sodium Hyaluronate 0.3%                     | Minims          | Eye Lubricant                   |
| 42 | Sodium Hyaluronate 0.4%                     | Minims          | Eye Lubricant                   |
| 43 | Sodium Hyaluronate + Ginkgo Biloba          | Minims          | Eye Lubricant                   |
| 44 | Sodium Hyaluronate 0.2% + Ecotin 0.2% UD    | Minims          | Eye Lubricant                   |
| 45 | Naphazoline + Pheniramine                   | Minims          | Anti-allergic                   |
| 46 | Tobramycin Ophthalmic 0.3%                  | Minims          | Anti-infective                  |
| 47 | Tobramycin + Dexamethasone                  | Minims          | Anti-infective / Corticosteroid |
| 48 | Dorzolamide + Timolol + Dexamethasone       | Minims          | Glaucoma                        |
| 49 | Olopatadine                                 | Minims          | Anti-allergic                   |
| 50 | Fusidic Acid                                | Minims          | Anti-infective                  |
| 51 | Gatifloxacin                                | Minims          | Anti-infective                  |
| 52 | Brimonidine                                 | Minims          | Glaucoma                        |
| 53 | Gentamicin Sulfate                          | Minims          | Anti-infective                  |
| 54 | Phenylephrine Hydrochloride                 | Minims          | Diagnostic                      |
| 55 | Brimonidine + Timolol                       | Minims          | Glaucoma                        |
| 56 | Benoxinate Hydrochloride                    | Minims          | Anesthetics                     |
| 57 | Benoxinate Hydrochloride + Fluorescein      | Minims          | Diagnostic                      |
| 58 | Ofloxacin + Prednisolone                    | Minims          | Anti-infective / Corticosteroid |
| 59 | Ofloxacin + Prednisolone + Tetrahydrozoline | Minims          | Anti-infective / Corticosteroid |
| 60 | Iron Carboxy Maltose 250 mg / 5 ml          | Glass Ampules   | Iron Therapy                    |
| 61 | Iron Sucrose 100 mg / 5 ml                  | Glass Ampules   | Iron Therapy                    |
| 62 | Metoclopramide 10 mg / 2 ml                 | Glass Ampules   | Antiemetic                      |
| 63 | Diclofenac Sodium 75 mg / 3 ml              | Glass Ampules   | Pain Management                 |
| 64 | Hyoscine 20 mg / 1 ml                       | Glass Ampules   | Antispasmodic                   |
| 65 | Caffeine Citrate 20 mg / ml                 | Glass Ampules   | Central Nervous System          |
| 66 | Caffeine Citrate 40 mg / ml                 | Glass Ampules   | Central Nervous System          |
| 67 | Caffeine Citrate 60 mg / ml                 | Glass Ampules   | Central Nervous System          |
| 68 | Hydroxocobalamin                            | Glass Ampules   | Vitamins & Minerals             |
| 69 | Vitamin B Complex                           | Glass Ampules   | Vitamins & Minerals             |
| 70 | Atropine 0.6 mg                             | Glass Ampules   | Sympathomimetic                 |
| 71 | Acetylcysteine 200 mg / ml                  | Glass Ampules   | Toxicology                      |
| 72 | Ketoprofen 100 mg                           | Glass Ampules   | NSAID                           |
| 73 | Ketorolac 60 mg                             | Glass Ampules   | NSAID                           |

| #   | Product Name  | Form          | Therapeutic Area       |
|-----|---|---------------|------------------------|
| 74  | Meloxicam 30 mg                                       | Glass Ampules | NSAID                  |
| 75  | Piroxicam 40 mg                                       | Glass Ampules | NSAID                  |
| 76  | Atracurium 50 mg                                      | Glass Ampules | Muscle Relaxant        |
| 77  | Cisatracurium 20 mg                                   | Glass Ampules | Muscle Relaxant        |
| 78  | Rocuronium Bromide 100 mg                             | Glass Ampules | Muscle Relaxant        |
| 79  | Protamine Sulfate 50 mg                               | Glass Ampules | Toxicology             |
| 80  | Tranexamic Acid 500 mg                                | Glass Ampules | Hemostatic             |
| 81  | Etamsylate 250 mg                                     | Glass Ampules | Hemostatic             |
| 82  | Digoxin 0.5 mg / 2 ml                                 | Glass Ampules | Cardiovascular         |
| 83  | Amiodarone 150 mg                                     | Glass Ampules | Cardiovascular         |
| 84  | Diltiazem 10 mg / 2 ml                                | Glass Ampules | Cardiovascular         |
| 85  | Enalaprilat 1.25 mg / 1 ml                            | Glass Ampules | Cardiovascular         |
| 86  | Metoprolol 5 mg / 5 ml                                | Glass Ampules | Cardiovascular         |
| 87  | Labetalol 20 mg / 4 ml                                | Glass Ampules | Cardiovascular         |
| 88  | L-Carnitine   | Glass Ampules | Cardiovascular         |
| 89  | Verapamil HCl 2.5 mg / ml                             | Glass Ampules | Cardiovascular         |
| 90  | Nitroglycerin Trinitrate 25 mg / 5 ml                 | Glass Ampules | Cardiovascular         |
| 91  | Pyridoxine (Vitamin B6)                               | Glass Ampules | Vitamins & Minerals    |
| 92  | Pralidoxime Chloride (Methyl Sulfate)                 | Glass Ampules | Toxicology             |
| 93  | Caffeine Citrate                                      | Glass Ampules | Central Nervous System |
| 94  | Noradrenaline 1 mg / ml (Norepinephrine)              | Glass Ampules | Cardiovascular         |
| 95  | Adrenaline 1 mg / ml (Epinephrine)                    | Glass Ampules | Cardiovascular         |
| 96  | Dobutamine 50 mg / ml                                 | Glass Ampules | Cardiovascular         |
| 97  | Dopamine 50 mg / ml                                   | Glass Ampules | Cardiovascular         |
| 98  | Valproate Sodium                                      | Glass Ampules | Central Nervous System |
| 99  | Adrenaline 0.1 mg / ml (1:10,000) — Prefilled Syringe | Glass Ampules | Cardiovascular         |
| 100 | LMWH Enoxaparin                                       | Glass Ampules | Cardiovascular         |
| 101 | Dimercaprol   | Glass Ampules | Toxicology             |
| 102 | Tiemonium Methyl Sulfate 5 mg                         | Glass Ampules | Antispasmodic          |
| 103 | Heparin Sodium 5000 IU                                | Glass Ampules | Anticoagulation        |
| 104 | Adenosine 6 mg / 2 ml                                 | Glass Ampules | Cardiovascular         |
| 105 | Haloperidol 5 mg / ml                                 | Glass Ampules | Central Nervous System |
| 106 | Phenytoin 50 mg / 2 ml                                | Glass Ampules | Central Nervous System |
| 107 | Procainamide  | Glass Ampules | Cardiovascular         |
| 108 | Ceftriaxone 2000 mg                                   | Glass Vials   | Systemic Antibiotics   |
| 109 | Cefuroxime 750 mg                                     | Glass Vials   | Systemic Antibiotics   |
| 110 | Cefuroxime 1500 mg                                    | Glass Vials   | Systemic Antibiotics   |

| #   | Product Name                          | Form        | Therapeutic Area     |
|-----|---------------------------------------|-------------|----------------------|
| 111 | Imipenem + Cilastatin 500 mg + 500 mg | Glass Vials | Systemic Antibiotics |
| 112 | Cefepime 1000 mg                      | Glass Vials | Systemic Antibiotics |
| 113 | Cefepime 2000 mg                      | Glass Vials | Systemic Antibiotics |
| 114 | Piperacillin / Tazobactam 2.25 g      | Glass Vials | Systemic Antibiotics |
| 115 | Piperacillin / Tazobactam 4.5 g       | Glass Vials | Systemic Antibiotics |
| 116 | Ceftazidime 250 mg                    | Glass Vials | Systemic Antibiotics |
| 117 | Ceftazidime 500 mg                    | Glass Vials | Systemic Antibiotics |
| 118 | Ceftazidime 1000 mg                   | Glass Vials | Systemic Antibiotics |
